For Patients Who Cannot Afford Treatment

We are charitable organisations, collaborating with corporate partners, to bring free cutting edge treatment to those with ARM and LEG (BONE and JOINT) problems, but who cannot normally afford treatment. The surgeons are coming from USA, Dubai and India to provide free care to our people of India. If you have arm or leg pain / arthritis / stiffness / instability, please present to the screening clinics for assessment / treatment

Screening Clinics: January 20th-31st 2020

Surgery Dates: February 3-5, 2020
